Dear Parent or Significant Elder,

Thank you so much for your trust in me to teach your student here at Burleson High School. Allow me to introduce myself.

My name is Kirk Corley. You can check out my information on the Educator tab of my website KirkCorley.com, but let me give you just a few highlights:

- For 35 years I have built and installed sets professionally in the DFW area.
- I have worked with some of the premier scenic fabrication companies in this area including Stageworks, Casa Mania, Wolf and Sons, Museum Arts, Southwest Studios and IASTE Locals #127 and #126.
- For 15 years I have worked at Dallas Stage Scenery as an installation specialist, carpenter and shop foreman.
- Some highlights of my career have been the opening gala for the Bass Performance Hall in Fort Worth; *Moby Dick*, the opening Opera for the Winspear Opera House in Dallas; and the Twelve Days of Christmas at the Dallas Arboretum.

As you can see, I come from a working professional background. I am prepared to teach and demonstrate what works in today's market.

I understand that your student may or may not be interested in this field as a career. My goal is to teach them something that they will be able to use in life, no matter what field they choose to pursue.

Kirk Corley
